

Worongary State School 2016 Volunteer Training Session

Volunteers Meeting & Training

Worongary State School is extremely grateful to our parents and grandparents who volunteer in our classrooms, in fundraising events with our P&C and assist with our programs throughout the school year. We are once again hoping to have a large number of volunteers in 2016. On **Friday the 19th of February, at 9:30am** we will be holding a volunteer training session in the school hall for all parents and adults who wish to volunteer at the school this year. This training session will go for approximately 90 minutes and will cover Code of Conduct Training (must be completed yearly), Correct procedures when volunteering on school grounds and the Worongary guidelines for volunteering.

All parents and family members who wish to volunteer in 2016 will need to undertake this training, even if they participated in training last year, as it is renewed annually. Another session will be held throughout the year. As we will end the training with a light morning tea, and will need to cater according to numbers, please contact the school office on 55024444 or email to office@worongaryss.eq.edu.au if you will be attending
