BRING A GROUP ALONG!

The Gold Coast Bulletin Fun Run (#gcbfunrun) and half marathon is a great opportunity for your school to get together for a fun & active day out on Sunday 17th April, 2016.

With five distances on offer; 21.1km, 10km, 5km, 2.5km and 1km kids dash, there is certainly something for everyone to get involved no matter their fitness levels or age – family members are also most welcome!

Starting and finishing at Robina's **Cbus Super Stadium**, the run is set in a unique location.

And every runner makes a difference – with a portion of entry fees going to local charity, [Livin](#).

The Rebel Schools Challenge will return to the Gold Coast Bulletin Fun Run in 2016!

All registered school groups will be in the running to WIN the following prizes:

1st Prize: \$1250 rebel voucher

2nd Prize: \$750 rebel voucher

3rd Prize: \$500 rebel voucher

Points are accumulated for every participant that runs for your school*, no matter the distance they enter, for example:

1 participant = 1 point

10 participants = 10 points

*Please note, only those participants entered before **Wednesday 13th April at 6pm** will be counted as part of the Schools Challenge. Entries after this time will not go towards the Schools Challenge. The top 3 schools will be announced at the event presentations.

We recommend Primary Schools encourage their students to participate in the 2.5km event.

Parents & teachers who are running with the students will not receive points towards the Schools Challenge.

All school groups registered will receive 10% off entry, in addition to one complimentary staff entry per every 10 students.
