Thank you to our wonderful families for your continued support Thanks Tamara Syron	We have started some new exciting clubs at Helping Hands this Term. Fit Club On a Tuesday in BSC from 8am-8.30am. Each week we focus on a different area to educate the children on making healthy choices. Miss Liam has designed a program to cover teaching the children about stretching and also keeping fit, they will talk about healthy eating and they will get to make a healthy fruit smoothy to take to School in the morning. Performing Arts Club On a Tuesday in ASC there is a group of children that have joined the Performing Arts Club. For the next 5 weeks they will work together with Miss Tracey to coreograph a dance and then they will be able to perform it to the other children and families. If your child is interested in these new clubs please see a staff for more information	Vacation Care brochures will be emailed out soon. If you need care these holidays please see Helping Hands for enrolment information Each week your children get the opportunity to be involved in a cooking experience.
