Mathematicians in Schools

Are you a scientist, IT professional or an engineer? Would you enjoy inspiring our teachers and students in science, maths or information technology? Would you like to become our school's scientist, mathematician or IT professional?

Our school is registered for Scientists and Mathematicians in Schools and we're looking for scientists, mathematicians, engineers or IT professionals who are interested in working with our staff and students – it would be great to have someone from our local community.

Scientists and Mathematicians in Schools use a broad definition of 'scientist' which includes professionals working in a science, maths, IT or engineering-related area, encompassing research and applied scientists, technologists and engineers, medical and allied health professionals and mathematicians.

There are no fixed hours – it's up to you and the teacher to decide how you can contribute.
