Dear Parents and Families Worongary State School What an awesome term we are having! I have enjoyed getting to know the children who have been a part of our family for a while as well as meeting some new families. We continue to welcome all of our new preps and families to Helping Hands. We have just established our "Preps only" area where our preps can have a casual play in our home corner. We have also just set up our Seniors only deck where our year 5's and 6's have their own space to hang out with their friends Kind Regards Jordi Rowley	We had so much fun doing crazy hair at the movie on the oval! It was great to see so many smiling faces – and so many crazy hair-do's. There have been so many new things starting up at helping hands! Homework club is Back and in action! This is where our Helping Hands kids can do their homework with some help if needed, at After school care so they can relax once they get home! At Helping Hands Before school care, we have set up our self-service breakfast table that allows the children to get themselves breakfast at any time by themselves. We have encouraged the children to wash their dishes by themselves as well; it has made our morning really enjoyable before the school day begins! 	✚ The service is closed between 9am and 2:30 pm, so if you text to book your child in at this time we will not be able to get back to you until the afternoon. ✚ To ensure your children's safety we work on a ratio based system. If you call to book your child in late we may not be able to accommodate you as staffing is set by enrolled numbers. ✚ Children can only be collected by adults on their contact list, please also ensure these are up to date. ✚ Please don't hesitate to come and see us if you have any questions or concerns, we are here to work together with you and the school for the best interests of your children.

WE PROVIDE BREAKFAST AND AFTERNOON TEA EVERYDAY AS WELL AS FANTASTIC ART, CRAFT, SPORT AND COOKING EXPERIENCES THAT YOUR CHILDREN WILL LOVE!
