Holiday Program Out Now!

Vacation care is fast approaching! Come past the Helping Hands office or contact us to book in for our fantastic vacation care program!

Vacation Care Programs are out now! We have emailed all our parents our June/July Vacation care program. We are trying to minimise paper wastage and are focusing on bringing sustainability into the service. If you would like another copy, feel free to ask one of the staff and we can email you another one. To make it easier on parents, you can email us the dates you would like to book in, for your convenience.

We have a fantastic program already planned for us and on display in our service. We are participating in some great activities such as excursions to Currumbin Wildlife Park and the Movies at Robina as well as a winter wonderland themed day. The school office also has a few holiday programs on display.

Please remember that all bookings and changes need to be in writing (either for before and after school care or vacation care). The best way to do this is to email us or text to communicate these changes.

If you have any questions about our Vacation Care/Holiday program, please feel free to contact the coordinator, Jordi on 0459 156 955.

The children in Helping Hands Worongary's Gardening Club have done a fantastic job in utilising our community garden! They have planted lettuce, tomatoes, basil and parsley. We can't wait to use these ingredients in our cooking club!

If you have any questions or queries, please feel free to call the Coordinator, Jordi Rowley, or our Regional Operations Coordinator, Maria Bamford, on our service phone: 0459 156 955

Many thanks

The staff at Helping Hands Worongary!
