EcoExplorers' Programs for September Holidays, 2017

All our Programs are for 5-9 year olds start at 9 a.m. and finish at 11 a.m. Cost $5 per child

Monday 18th September Incredible Insects - Search for insects, see how many different species you can find. Games, story and craft.

Wednesday 20th September Funky Fish – Let's look for tiny fish in the mangroves and learn all about the different species. Fishy games, story and craft.

Sunday 24th September Mystery Program – Let's be scientists and find out things about water and what creatures live in the creeks. Make boats and race them against each other, games, story and craft.

Monday 25th September Lovely Lizards – Let's find lizards, how many different kinds can we find, learn all about their habitats, games, story and craft.

Wednesday 27th September Magical Mangroves – Let's look for crabs, birds, fish and other creatures that live in the mangroves. Games, story and craft.
