

Lets Be A Cool School

In 2017 a survey was conducted to determine the level of interest from parents in regards to having air conditioning installed at Worongary State School. We received an overwhelming response of 96.4% of parents in favour of installing air conditioning.

It will cost approximately \$150,000 to install air conditioning in all areas of the school excluding the main hall, staff rooms and uniform shop. Last year we ran several fundraising events such as Cash for change, Mums night out and the Trivia Night. At present the P&C have raised \$5,000 and have several fundraising activities planned this year as well. This year we are also accepting voluntary contributions in to our building fund from families and friends to bring us closer to our goal.

Tax deductible donations!

A building fund has been opened by the P & C in to which tax deductible donations can be deposited. Parents, relative, friends and businesses can contribute to the building fund using the following number:

CBA
BSB: 064-451
Account Number: 1051-5701

Please put the ID for your child in the comments so that we can whom the payment belongs to. Please include the first 5 letters of the surname and the first 3 letters of the given name. A receipt of the contribution will be given to your child by their teacher.

“Donations big or small, we greatly accept them all “

Cool news!

Our grant application was successful! We are now \$35,000 closer to our goal of having stage 1 of the air conditioning **installed**.

We need help!

If you are interested in helping with fundraising efforts (only) or joining the “Lets be a cool school” sub-committee then contact Linda Nordin (j94linno@yahoo.se) or Rhiannon Delmore (rhiannon_delmore@hotmail.com) or ask at the main office.

Coming Soon!

You will be able to see how much has been fundraised and how much we need to reach our goal of \$69,000 by end of March 2018 on thermometers around the school.
