Dear Principal

We are very excited to announce that The Keebra Park Girls' Sport Academy will be hosting a **Year 5/6 Girls Primary School Touch Football Tournament** for interested Primary Schools early next year. The tournament will be supported by the Gold Coast Titans with many exciting events taking place throughout the day including: Titans' player appearances, pass the ball competitions and relays. There is also a range of Titans prizes up for grabs and Keebra Park Girls' Sport Academy scholarships will also be on offer.

The tournament will be held on **Friday 26th February 2021** 9.00am-3.00pm at the Gold Coast Touch Association, Owen Park Southport.

The day will consist of round robin games between registered year 5/6 primary school teams, a skill session conducted by our Girls Sport Academy coaching staff, and a combined exhibition game with our elite Keebra Girls' Sport Academy students and the year 5 and 6 students. The exhibition games will allow the younger students the opportunity to play alongside current Keebra Park Queensland Touch Football representative players while learning new skills, building confidence and having fun.

Keebra Park Girls Sport Academy coaching staff and players will be available to assist coaching your team prior to, and on the day of the tournament if you require additional support. We hope your school will join us and the Gold Coast Titans for this unique opportunity to promote female sport.

Please register your school team/s via Angela Zavros, Business Manager asatt4@eq.edu.au by **Friday 12 February 2021**. Teams may consist of a combination of year 5 and 6 female students. There will be no cost to enter the tournament and qualified referees will be supplied on the day. Each school may also enter as many teams as required. For further information, please contact Angela Zavros or Nathan Small, Head of Girls' Sport Academy on 55092555.

Regards

Adam Brandis
Principal
