

Enrichment Day Program - Performing Arts

Dear Parent/Caregiver

At Nerang State High School we are very proud of the support we provide for the students in our local area. We once again offer the opportunity for students selected by their Primary School to be a part of our enrichment program. Primary Schools in the Nerang area are invited to nominate students to attend each Enrichment Day. Your child has been chosen to be a part of one of these excellent days of personal, social and academic growth.

Our program allows students to immerse themselves in a range of enrichment activities for a day that will further improve their performing skills. Students will work with some of our senior students and engage with our specialist teachers. Furthermore, students will be able to experience our high school environment, where they will have access to specialist resources and facilities.

This Enrichment Day will involve the invited students experiencing our Performing Arts Programs Dance and Drama **or** Music. We are asking the students to choose which performing arts program they wish to experience for the day.

Performance Program

Session 1 – 2: Dance

Session 2 – 3: Drama

Music Program

Session 1 - Drums

Session 2 - Ukulele

Session 3 - Vocal
